Assignment: Project "Silent Shadow"

Topic: Passive Reconnaissance & Open-Source Intelligence (OSINT)

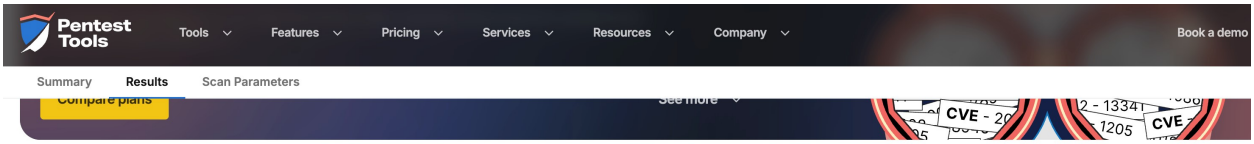

Corporation Name: Sri Lanka Transport Board

1. Executive Summary

This report presents a passive OSINT reconnaissance of SLTB using public sources only. The objective was to identify infrastructure, people, documents, and technologies without active scanning.

SLTB is a government transport organization providing bus services across Sri Lanka and operating official websites and online systems.

Remediation

Lock Down the Admin Account: The nwadmin account is compromised. **Change that password immediately** and turn on Multi-Factor Authentication (MFA) to stop hackers from using those stolen credentials.

Hide Internal Tools: Sites like erp.sltb.lk and hris.sltb.lk are currently visible to anyone on the internet. **Restrict access** to these behind a company VPN so only your team can see them.

Update Your Software: Your website is running older versions of libraries (PDF.js, etc.). **Update these tools** to the latest versions to close known security holes.
